

Any Wi-Fi
Engineers Here?

So we went out to
find a solution

... and found...

This slide is intentionally left blank.
It means we found nothing.

Dollar, dollar, bills y'all

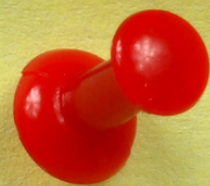

A high-contrast, black and white photograph of a laptop keyboard. The keyboard is viewed from a low angle, showing the keys in sharp relief against a dark background. A white, rectangular label is placed on the keyboard, featuring the word 'ekahau' in a bold, lowercase, sans-serif font. The lighting creates strong highlights and deep shadows, emphasizing the texture of the keys and the sleek design of the laptop. The overall composition is minimalist and modern.

ekahau
