

3001-00

Outdoor AP and Antenna Concealment Shroud

Collection: Skybar™ | Series: 3000

Oberon's Model 3001-00 is an outdoor concealment shroud for concealing Wi-Fi and small cell APs, antennas, remote radio heads, cabling and connectors. The Model 3001-00 includes a paintable, rugged ABS plastic hinged cover which is virtually transparent to wireless signals. The 3001-00 also includes a heavy duty panel for mounting APs, antennas, and brackets from most leading wireless vendors. Where outdoor network aesthetics is paramount, conceal and protect outdoor rated wireless equipment.
