

Sr. NO	PRODUCT	Model	Qty	Remark
1	300Mbps,802.11b/g/n,Indoor Pure AP/WDS/ Universal Repeater,Transmission Power 26dbm/400mW,with inbuilt 2x2 MIMO (multi-in multiout) antenna, low maintainace excellent corporate product.	Standard	83	Indoor AP
2	2.4GHz 2x2 MIMO,Outdoor,500mw,WiD TDMA 16dBi dual polarised panel antenna,10/100Mbps LAN,24V Passive PoE, and 16kV ESD protection,	Standard	13	Outdoor AP
3	2.4GHz 2x2 MIMO,Outdoor,500mW,WiD TDMA two RP-SMA connetcor for external antenna,10/100Mbps LAN,24V Passive PoE and 16kV ESD protection,	Standard	15	Outdoor AP
4	2.4GHz true outdoor 16dBi corporate level directional ,120 degree antenna	Standard	15	antenna
5	5GHz Die-cast Aluminium ,500mW,TDMA,19dBi 120 degree dual polarised sector 2*2 MIMO antenna,Gigabit LAN support, 24V Passive PoE,4kV Lightening and 16kV ESD protection, IP67	Standard	6	antenna
6	5GHz 2x2 MIMO,Outdoor,500mw,WiD TDMA 16dBi dual polarised panel antenna,Gigabit LAN,24V Passive PoE,and 16kV ESD protection,	Standard	16	antenna
7	Secure Managed WLAN Controller,100% AP Management over 200nos 4ipnet AP , Rackmounable, Gigabit LAN ,Dual WAN auto fail over and load Balancing, Support more than 300~400 concurrent user	Standard	1	controller
