

# How to self learn Enterprise networks with Aruba

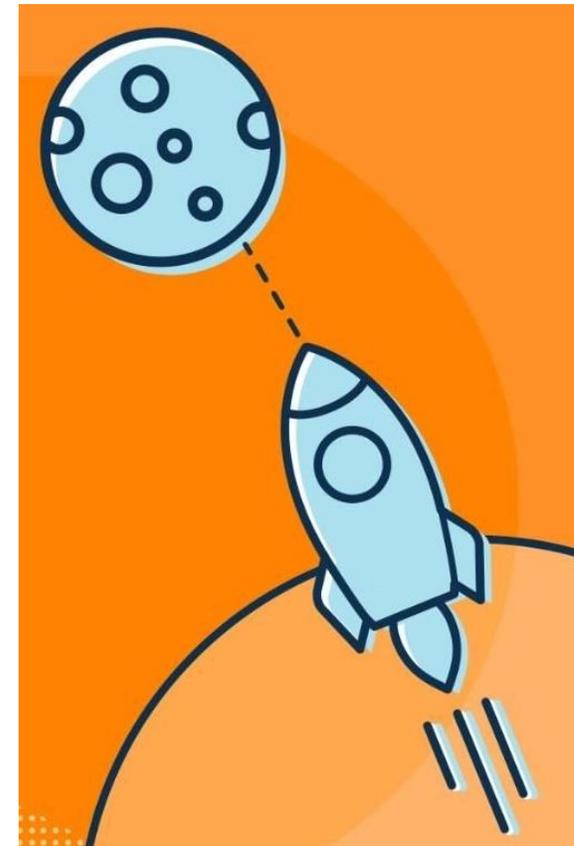

## Introduction & video 1

xavier.brugne@hpe.com  
Channel SE France   
10/09/2021

# Your journey to become an Aruba Certified Switch Professional

- Join the Aruba Airheads community (AH)
  - Create your mandatory logins (AH Community, AES, Coursera ...)
- Got :
  - your student materials (HPE press books, design guides, manuals ...)
  - your software simulator and / or practice on line thanks to remote bookables labs
  - Got simulated labs samples and videos
- Once you are ready to pass your exam
  - Create your others required logins (mylearninghpe, Pearson vue)

# Why only talking about Wired ? (in a first step)

Cause it's the fundamentals of networking and it's easy to self learn thanks to AOS-CX simulator, but of course Aruba Education Services provide great trainings, books and certifications on others topics !

# Create your fundamentals

## Aruba logins

If you can see that  
video ...  
Congrats !

You have access to the Aruba World  
Wide Airheads community !

But ... without a personal login, you  
don't have yet a full access !

<https://community.arubanetworks.com>

Let's correct that 😊

# Create your Aruba SSO login to join the community

# Try your login into the community & learning site

1

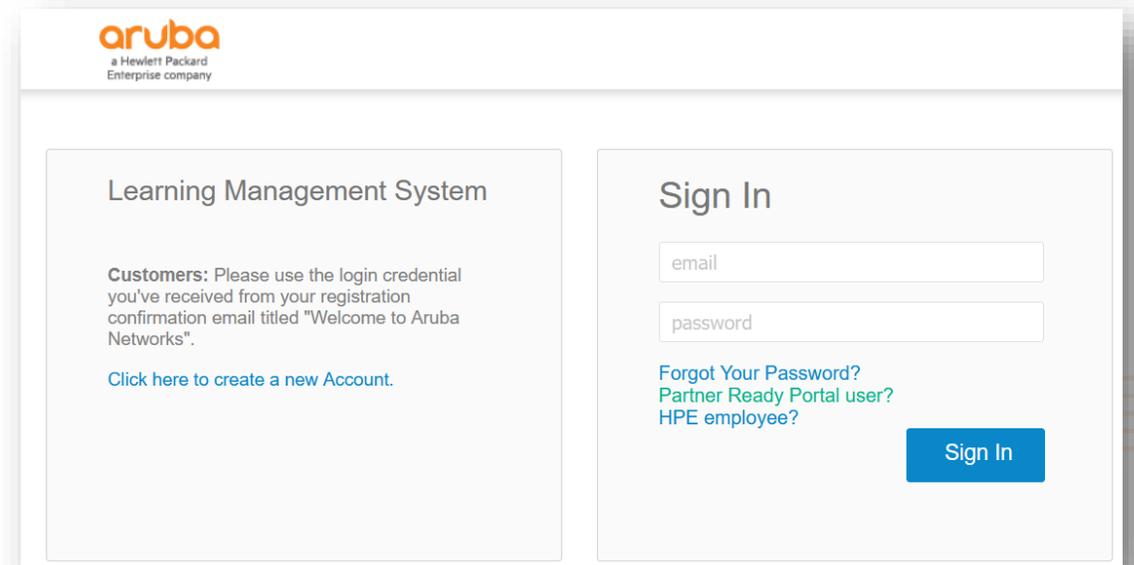

<https://community.arubanetworks.com/>

The image shows the Aruba Sign On page. At the top, the Aruba logo is displayed with the text "a Hewlett Packard Enterprise company" below it. The main heading is "Sign On". There is an "EMAIL" label above a light blue input field. Below the input field are two buttons: "Next" (white with a blue border) and "Sign Up" (orange). At the bottom, there are links for "Terms of Service" and "Privacy Policy".

2

<https://inter.viewcentral.com/events/customer/default.aspx?cid=aruba&pid=1>

The image shows the Aruba Learning Management System Sign In page. At the top, the Aruba logo is displayed with the text "a Hewlett Packard Enterprise company" below it. The page is divided into two main sections. The left section is titled "Learning Management System" and contains instructions for customers: "Customers: Please use the login credential you've received from your registration confirmation email titled 'Welcome to Aruba Networks'." Below this is a link: "Click here to create a new Account." The right section is titled "Sign In" and contains two input fields: "email" and "password". Below these fields are links for "Forgot Your Password?", "Partner Ready Portal user?", and "HPE employee?". A blue "Sign In" button is located at the bottom right of the sign-in section.

# Now you are logged on Airheads community

You can change your photo 😊

1

The screenshot shows the Airheads Community website interface. At the top, the URL is <https://community.arubanetworks.com/home>. The navigation menu includes Discussion, Support, Technical Product Details, Community Learning, News, and Events. The main content area features a video player for "Atmosphere '21" with a "WATCH ON-DEMAND" button. A user profile for "xbtest" (xavier.brugne@gmail.com) is visible, showing a 20% progress bar and buttons for PROFILE and COMMUNITIES. A LOGOUT button is also present. The bottom section is titled "Latest News & Announcements".

# Softwares and manuals

Manuals are available on ASP in PDF or online :  
<https://asp.arubanetworks.com/downloads;fileTypes=DOCUMENT;products=Aruba%20Switches;productSeries=Aruba%206300%20Switch%20Series>

CX simulator OVA is here :  
<https://asp.arubanetworks.com/downloads;search=simulator>

The screenshot shows the Aruba Support Portal interface. At the top, there are navigation links for 'CONTACT US' and 'LOGIN', and a breadcrumb trail 'HOME > SOFTWARE AND DOCUMENTS'. The main heading is 'Software and Documents'. Below this is a search bar and a 'Search files' button. On the left, there is a 'FILTERS' sidebar with options for 'File Type' (Document, 286), 'Product' (Aruba Switches, 286), and 'Product Series' (HPE 3500 and 3500yl Switch Series (1), HPE 2910 al Switch Series (1), Aruba NetEdit Software (1), Aruba CX 8360 Switch). The main content area shows 'Showing 286 Results' and a 'Sort by' dropdown set to 'Relevance'. There are filter tags for 'File Type: Document', 'Product: Aruba Switches', and 'Product Series: Aruba 6300 Switch Series'. Two results are visible: 'AOS-CX Release Documentation (August, 2021)' and 'AOS-CX 10.8 IP Routing Guide (6300, 6400, 8320, 8325, 8360) (HTML)'. Each result includes a download icon and a 'Standard Release' label.

The screenshot shows search results for 'CX simulator OVA'. The interface includes a 'FILTERS' sidebar with options for 'File Type' (Software, 3), 'Product' (Aruba Switches, 3), 'File Category' (OVA, 3), 'Release Type' (Conservative, 3), and 'File Size' (< 1 MB, 0). The main content area shows 'Showing 3 Results' and a 'Sort by' dropdown set to 'Relevance'. Two results are visible: 'Aruba\_AOS-CX\_Switch\_Simulator\_10.07.0010' and 'Aruba\_AOS-CX\_Switch\_Simulator\_10.08.0001.ova'. Each result includes a download icon, a 'Conservative Release' label, and a file size (496 MB and 506 MB respectively). The results also show 'Aruba Switches', version numbers ('v10.07' and 'v10.08'), and '2+ Product Series'.

Ask your Aruba representative if you need some help.

## AES website

2

The screenshot displays the Aruba website's Shopping Cart interface. At the top left is the Aruba logo with the tagline 'a Hewlett Packard Enterprise company'. The main header contains navigation links: 'Search for Training', 'Learning Paths', 'Certification', 'Learning Community', and 'Support'. A dropdown menu is open under 'Learning Paths', listing categories like 'Mobility', 'Security', 'Design', 'Switching', 'SD-WAN', 'Product Training', 'Free Training' (highlighted), and 'Data Center Networking'. A red arrow points from the 'Free Training' option to the cart area. The cart title is 'Shopping Cart' in large white text on an orange background. Below the title, it says 'Click Checkout to process your requests.' and 'Xavier Brugne2 Shopping Cart: 1 Item(s)'. The cart table has a header 'COURSE NAME' and one row with the following details: '1', 'Aruba Networking for Absolute Beginners', 'Details', 'HPE Online Labs', 'Cancellation Policy sample', and a 'REMOVE' button. At the bottom right, there are three buttons: 'BACK', 'RESET', and 'CHECKOUT'. A red arrow points to the 'CHECKOUT' button.

# Create also your HPE Passport login

[https://cf.passport.hpe.com/hppcf/createuser.do?hpappid=HPPRESS\\_PRO\\_HPE&lang=en&cc=us&applicationpage=https://hpepress.hpe.com/hpepassport/create-profile](https://cf.passport.hpe.com/hppcf/createuser.do?hpappid=HPPRESS_PRO_HPE&lang=en&cc=us&applicationpage=https://hpepress.hpe.com/hpepassport/create-profile)

The screenshot shows the 'Create a new account' page on the HPE Passport website. The header includes the Hewlett Packard Enterprise logo and navigation links for Solutions, Services, Products, About Us, and Support. The main heading is 'Create a new account' with a sub-heading 'Sign in across HPE websites and services with HPE Passport ?'. A 'Required \*' section is titled 'Sign in information ?' and contains an 'E-mail address' field with the value 'xavier.brugne@gmail.com'. Below the email field is a note: 'This will also be your user ID.' There is a consent checkbox for 'May HPE provide you with personalised communications about HPE and select HPE-partner products, services and solutions?' which is currently checked 'Yes'. Below this is a link to the 'HPE Privacy Statement'. The 'Password ?' section has two fields: 'Password' and 'Confirm password', both containing masked characters.

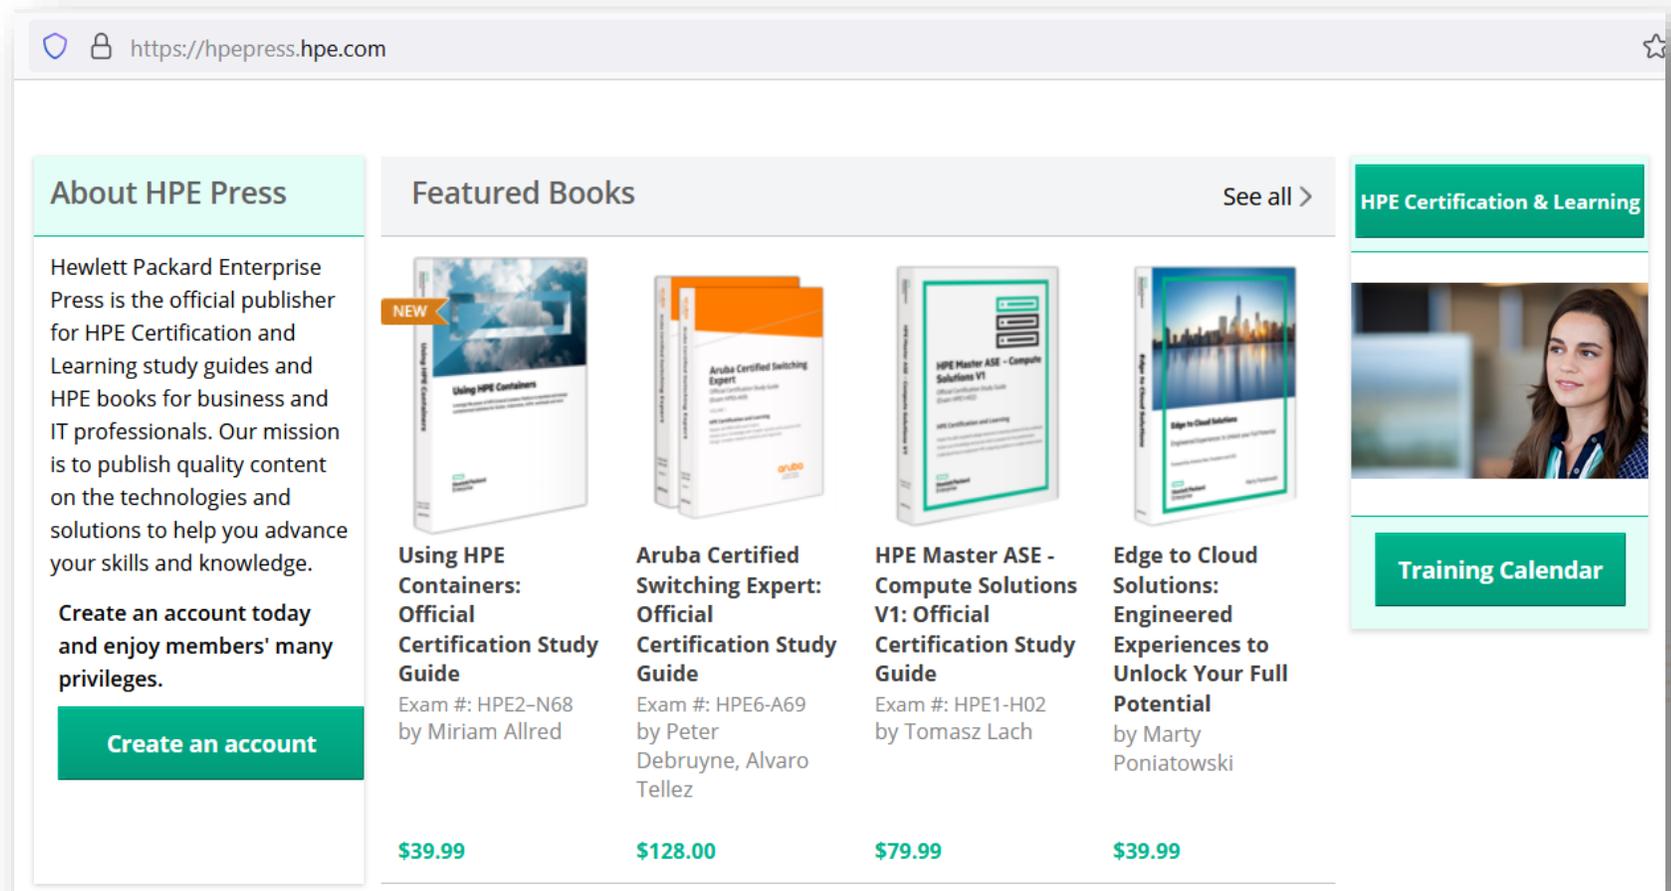

The screenshot shows the 'Registration Confirmation' page on the HPE Passport website. The header is identical to the previous page. The main heading is 'Registration Confirmation'. Below the heading, it says 'Welcome, xavier.brugne@gmail.com' and 'You have created an HPE Passport account and are now signed into this site. Use this account to sign into HPE websites and services.' A list of links is provided: 'Edit your profile', 'Change User ID', 'Change Password', 'Change Security Q&A', 'Delete Profile', 'Sign-out', and 'About HPE Passport'. At the bottom, there is a 'Continue to site' button.

# HPE books and remote labs for Aruba

- HPE Passport is required to login into HPE Press site to order study guides (some ebooks are free)
- <https://hpepress.hpe.com/>

The screenshot shows the HPE Press website interface. The browser address bar displays <https://hpepress.hpe.com>. The main content area is divided into several sections:

- About HPE Press:** A text block stating that Hewlett Packard Enterprise Press is the official publisher for HPE Certification and Learning study guides and HPE books for business and IT professionals. It includes a mission statement and a call to action: "Create an account today and enjoy members' many privileges." Below this is a green button labeled "Create an account".
- Featured Books:** A section with a "See all >" link. It displays four book covers with their titles, authors, exam numbers, and prices:
  - Using HPE Containers: Official Certification Study Guide:** Exam #: HPE2-N68 by Miriam Allred, priced at \$39.99. A "NEW" badge is present on the cover.
  - Aruba Certified Switching Expert: Official Certification Study Guide:** Exam #: HPE6-A69 by Peter Debruyne, Alvaro Tellez, priced at \$128.00.
  - HPE Master ASE - Compute Solutions V1: Official Certification Study Guide:** Exam #: HPE1-H02 by Tomasz Lach, priced at \$79.99.
  - Edge to Cloud Solutions: Engineered Experiences to Unlock Your Full Potential:** by Marty Poniatowski, priced at \$39.99.
- HPE Certification & Learning:** A section featuring a photo of a woman and a green button labeled "Training Calendar".

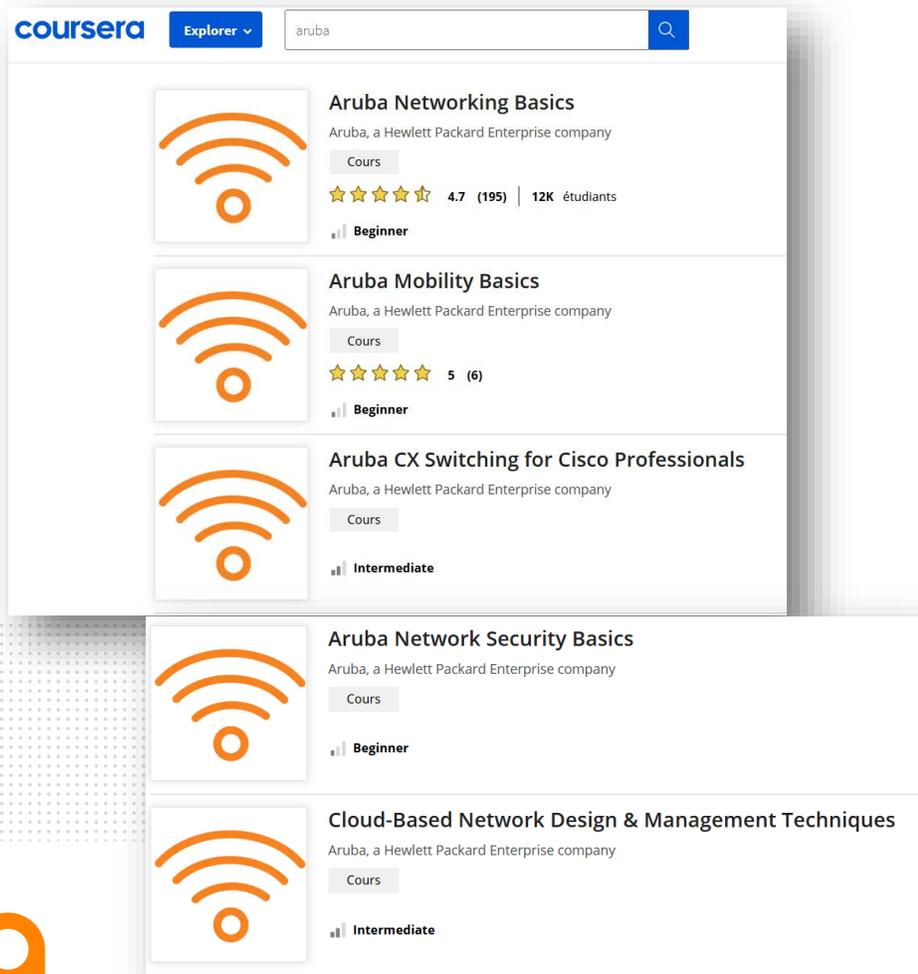

# Aruba free lessons are also available on Coursera !!!

<https://fr.coursera.org/search?query=aruba>

It is the same content that you can find also below, but without the free remote labs access. One benefit of Coursera is to get an attendance certificate.

[https://inter.viewcentral.com/events/cust/cust\\_tracks.aspx?company\\_login\\_id=aruba&pid=1&track\\_id=42](https://inter.viewcentral.com/events/cust/cust_tracks.aspx?company_login_id=aruba&pid=1&track_id=42)

The screenshot shows the Coursera search results for 'aruba'. The search bar at the top contains 'aruba'. Below the search bar, there are five course listings, each with an orange Wi-Fi icon, the course title, the provider 'Aruba, a Hewlett Packard Enterprise company', a 'Cours' button, a star rating, and the number of students. The courses are: 1) Aruba Networking Basics (4.7 stars, 195 reviews, 12K students, Beginner level), 2) Aruba Mobility Basics (5 stars, 6 reviews, Beginner level), 3) Aruba CX Switching for Cisco Professionals (Intermediate level), 4) Aruba Network Security Basics (Beginner level), and 5) Cloud-Based Network Design & Management Techniques (Intermediate level).

<b>1) New to Networking</b> These courses provide fundamental skills on wired and wireless computer networking.	<a href="#">Aruba Networking for Absolute Beginners</a> <a href="#">Networking Essentials eLearning</a> <a href="#">Mobility Essentials eLearning</a> <a href="#">Aruba Network Security Essentials eLearning</a> <a href="#">Aruba Cloud Essentials eLearning</a>
<b>2) Modern Network Engineer</b> These courses are geared towards network engineers and IT professionals who want to stay up to date with the latest industry trends.	<a href="#">Modern Campus Network Design eLearning</a> <a href="#">Modern Campus Network Management Techniques eLearning</a>
<b>3) Cisco to Aruba Switching</b> This course provides the delta knowledge required for a Cisco Certified Routing & Switching professional to understand Aruba CX Switching technologies.	<a href="#">ACSA Fast Track (Cisco) eLearning + self-directed lab</a> <a href="#">(4-Hour) Self-Directed Lab - ACSA Fast Track (Cisco)</a>

The Aruba logo consists of the word "aruba" in a lowercase, bold, orange sans-serif font. The background of the slide features a large, faint, light blue grid pattern that is partially obscured by the word "Thanks" and the Aruba logo. A large, solid orange shape is visible in the bottom right corner of the slide.
