aruba
— PRODUCT SPECIALIST —
APS
Central

📢 WHAT'S NEW

Aruba Product Specialists have proven technical expertise to manage and optimize modern networks with industry-leading Aruba technologies. The new **Aruba Product Specialist - Central** assessment validates skills in these key areas:

- ⊘ Comprehensive network management
- ⊘ Device connectivity
- ⊘ Network health & user activity

The APS Central is also the first badge that can be:

- ⊘ Prepared with flexible training options (instructor-led or self-paced)
- ⊘ Achieved with a free web-based assessment
